## Specialty License Plate Application

Proceeds to benefit New Life Resources and pro-life social service providers throughout Tennessee.

As a result of legislation sponsored by **Tennessee Right to Life** and **New Life Resources**, Tennessee motorists now have the opportunity to display their support for pro-life alternatives to abortion while contributing to community agencies which provide tangible help and assistance to women and families facing difficult pregnancies.

**Make a difference!** Tennessee's Choose Life plate may be reserved by completing this application and mailing with a **\$35.00 check made payable to New Life Resources**. This is an additional cost over and above your regular registration fees and county tax.

**Please note that the state will not begin producing the plates until 1,000 plates have been "pre-sold" by New Life Resources.**
